

Skyline Dental Studio is looking for an exceptional Registered Dental Hygienist to join our growing, patient-focused practice.

Our office is built on compassion, clinical excellence, and meaningful relationships with our patients. We are seeking a hygienist who truly loves dentistry, values patient education, and enjoys working in a positive team environment.

This is a part-time opportunity (2 days per week) with flexibility on scheduling. Our preferred days are Tuesday and Friday, but we are open to adjusting for the right candidate.

What We're Looking For

We are searching for someone who is:

- A licensed Registered Dental Hygienist
- Laser Certification
- Compassionate and patient-centered
- Skilled in periodontal care and patient education
- A great communicator who builds trust with patients
- A team player who contributes to a positive office culture
- Passionate about helping patients achieve long-term oral health

Responsibilities

- Perform dental cleanings and periodontal therapy
- Take digital radiographs
- Educate patients on oral hygiene and preventative care
- Document treatment notes and maintain accurate records
- Collaborate with the doctor and team to provide exceptional care

Why Join Skyline Dental Studio?

- Supportive and positive team environment
- Beautiful modern practice
- Patients who value quality care
- Opportunity to make a real impact in patients' lives

If you are a compassionate hygienist who loves dentistry and patient care, we would love to meet you.

Please apply with your resume to learn more about joining our Skyline Dental Studio team.
