

Skyline Dental Studio is seeking a motivated and compassionate Dental Assistant to join our successful and patient-focused practice.

We are looking for someone who already has dental assisting experience but is still early in their career and excited to continue learning and growing in dentistry. This is a wonderful opportunity to work alongside an experienced doctor and team in a supportive environment where you can develop your skills and build a long-term career.

Our practice takes pride in providing exceptional patient care, teamwork, and a positive office culture.

What We're Looking For

The ideal candidate is:

- A Dental Assistant with some clinical experience
- Eager to learn and expand their skills
- Friendly, compassionate, and professional with patients
- Organized and dependable
- A team player who enjoys working in a fast-paced practice
- Passionate about dentistry and patient care

Responsibilities

- Assist the doctor during dental procedures
- Prepare treatment rooms and instruments
- Take digital x-rays (or willing to learn if not certified)
- Sterilization and infection control
- Help create a comfortable experience for our patients
- Support the clinical team to keep the schedule running smoothly

Monday – Friday,

8:45 AM – 5:15 PM

Benefit

401k Matching

- Paid time off
- Paid holidays
- Parking stipend
- Supportive and positive team environment
- Opportunity to grow your dental career in a thriving practice

Why Join Skyline Dental Studio? This is a great opportunity for a Dental Assistant who wants to learn more, grow professionally, and be part of an amazing team. If you are motivated, compassionate, and excited about dentistry, we would love to meet you.

Please apply with your resume to join Skyline Dental Studio. **Make it a Great Day!**
